## WELCOME MESSAGE

Assalamu'alaikum warahmatullahi wabarakatuh,  
Peace and blessings be upon us all,

Praise be to God Almighty, for it is by His grace and blessings that we are able to present the 23<sup>rd</sup> Continuing Neurological Education 2025 Symposium and Workshop. This event is a testament to our commitment to broadening knowledge, enhancing competencies, and fostering collaboration in the field of neurology.

This year's theme, "**New breakthrough in neurotechnology: potential and challenges for practice & care**", reflects both the challenges and opportunities faced in the healthcare sector, particularly in the realm of neurology. We hope that this symposium will serve as a platform for sharing knowledge and experiences while encouraging constructive discussions among experts, practitioners, academics, and participants from diverse backgrounds.

We are also pleased to offer interactive workshops designed to provide practical skills and in-depth insights into the latest approaches to manage various neurological cases. With renowned national and international speakers who are experts in their fields, we are confident that this event will be a meaningful experience for all of us.

Our heartfelt gratitude goes out to all parties who have supported this event, including the speakers, participants, sponsors, and the organizing committee who have worked tirelessly. We hope this event not only provides scientific benefits but also strengthens networks and collaborations in our shared mission to improve healthcare services in Indonesia.

Finally, we invite you to actively participate in every session, share your thoughts, and absorb as much knowledge as possible. Together, let us contribute to the advancement of neurology for a better future.

Wassalamu'alaikum warahmatullahi wabarakatuh.

Best Regards,

## WELCOME MESSAGE

Dear Colleagues,

It is our great pleasure to announce the 23<sup>rd</sup> Continuing Neurological Education (CNE) 2025, which will take place on 2<sup>nd</sup>-6<sup>th</sup>, 2025.

This year's conference theme, "New Breakthroughs in Neurotechnology: Potential and Challenges for Practice & Care," reflects our commitment to exploring the latest advancements in neurotechnology and their impact on neurological practice and patient care.

We have assembled a renowned faculty of experts who will share their insights and experiences on the latest neurotechnological breakthroughs, including innovative treatments, diagnostic tools, and therapeutic strategies.

Through keynote lectures, panel discussions, and interactive workshops, we aim to provide a comprehensive and engaging learning experience for all participants.

We invite neurologists, neuroscientists, researchers, and healthcare professionals to join us for this premier event. Together, let's explore the exciting possibilities and challenges of neurotechnology and its applications in practice and care.

Mark your calendars for 2<sup>nd</sup>-6<sup>th</sup>, 2025, and get ready to engage with the global neurological community.

We look forward to seeing you at the 23<sup>rd</sup> CNE 2025!

With Best Regards,

## WELCOME MESSAGE

Dear colleagues,

It is my great pleasure to announce the 23<sup>rd</sup> Continuing Neurological Education (CNE) 2025, which will take place on July 2<sup>nd</sup>-6<sup>th</sup>, 2025. This year's theme, "New Breakthroughs in Neurotechnology: Potential and Challenges for Practice & Care," reflects our commitment to staying at the forefront of advances in neurology and neuroscience.

The CNE 2025 will bring together renowned experts and professionals in the field to share their knowledge, experiences, and insights on the latest developments in neurotechnology. Through a series of lectures, workshops, and discussions, we aim to explore the potential benefits and challenges of these advancements in clinical practice and patient care.

This event is a unique opportunity for neurologists, neurosurgeons, researchers, and healthcare professionals to update their knowledge, network with peers, and contribute to the ongoing conversation about the future of neurology.

We look forward to welcoming you to the 23<sup>rd</sup> CNE 2025 and exploring the exciting possibilities that neurotechnology holds for improving patient outcomes and advancing our field.

Please mark your calendars for July 2<sup>nd</sup>-6<sup>th</sup>, 2025, and join us for an enriching and thought-provoking experience.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Abdulloh Machin'.
