## WELCOME MESSAGE

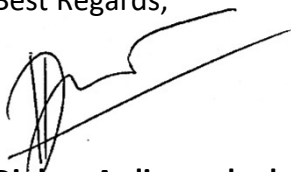

Assalamualaikum wr. wb.

Dear Colleagues,

We thank you for the presence of Allah SWT, on behalf of the Organizing Committee, the Neurology Department of Airlangga School of Medicine / Dr. Soetomo General Hospital, and the Indonesian Neurological Association (INA) Surabaya Chapter, It's our great pleasure to invite you to attend in our outstanding Annual Scientific Meeting "The 22nd Continuing Neurological Education 2023", which will be held at Bumi Surabaya City Resort, March, 17<sup>th</sup> – 19<sup>th</sup> 2023. Our theme for 2023 is "Prompt Actions in Neurological Disorders: Predict, Prevent, and Restore ". We aim to bring together colleagues in this event to enrich and update the knowledge of attractive and interesting topics in the field of Neurology among Neurologists and other related specialists, including General Practitioners and we promise an exhilarating and multi-faceted scientific program where there will be exciting exchanges between experts in their respective subspecialties from different centers. Pharmaceutical and Medical exhibitions are also available. Finally, we sincerely hope your participation. We are looking forward to seeing you in Surabaya.

Wassalamualaikum wr.wb.

Best Regards,

## WELCOME MESSAGE

Dear Colleagues,

We are pleased to announce the 22nd Continuing Neurological Education (CNE) 2023 which will be held at Bumi Surabaya Hotel from 17th to 19th March 2023.

This meeting has prepared exciting sessions of the hot issues in neurological diseases, how to predict, prevent and restore. The 22nd Surabaya CNE has continued upon the previous years meetings in opening up several more categories for its scientific sessions, workshops which will see this meeting to be bigger and even more exciting than its predecessors

We have no doubt that participants will have a very pleasant experience in terms of learning contemporary knowledge on neurological diseases and providing a networking opportunity for the community, and we hope that you will enjoy and look forward to meeting you in our charming city of Surabaya in March 2023.

With Best Regards,

**Achmad Firdaus Sani, dr., Sp,N(K), FINS, FINA**

**Head of Indonesian Neurological Association Surabaya Chapter**

### WELCOME MESSAGE

Dear Colleagues,

It is a great honor and much pleasure that the annual scientific meeting, the 22<sup>nd</sup> Continuing Neurological Education (CNE) will be held in Surabaya, on March 17-19, 2023. We hope you will be treated to a superb experience.

The 22<sup>nd</sup> CNE after a long period during which scientific conferences have been impacted by the coronavirus pandemic, we look forward to welcoming you hopefully in-person once again with the full offline meeting. The 22<sup>nd</sup> CNE will be a 3 days program that includes plenary lectures, parallel sessions, workshops, and poster presentation sessions.

We strongly believe that an attractive scientific program with excellent speakers and opinion leaders as well as the dynamic and interactive format will provide a superb opportunity for the exchange of knowledge and ideas within our large community of healthcare specialists interested in all epidemiological, preventive, and therapeutic aspects of neurological diseases.

With kind regards and best wishes

**Dr. Muhammad Hamdan, dr., Sp.N(K)**

**Head of Neurology Department**

**Faculty of Medicine, Universitas Airlangga-Dr. Soetomo General Hospital**
